Dear Parents and Guardians,

Our annual Field Day is on Friday, May 30, 2014 with a rain date of Friday, June 6, 2014. You are invited to be a part of this exciting event. Our students will have the opportunity to demonstrate their athletic skills as well as practice sportsmanship and teamwork.

The morning events will take place from 9:00-11:30 for grades 1, 2, and Mrs. Hreha’s class, and 9:15-11:45 for Grades 3 through 5. Mrs. Barrows AM class will have events from 9:00-10:30, her PM class will have events from 1-1:30 then join the rest of JFK and dance with the DJ until 2pm. Mrs. Mulee’s All day class will do events in the morning from 9:00-11:00 then rejoin us and complete more events from 1:00-1:30 then join the rest of JFK to dance until 2pm.

Our PTO is providing lunch for students in grades 1-5, Mrs. Mulee’s full day Pre-School class, and Mrs. Hreha’s class. Lunch will be two slices of pizza from a local pizzeria, one bag of chips, fresh fruit salad, corn, and a choice of apple juice, orange juice, or milk to drink. Students will also be getting Carvel vanilla ice cream in the afternoon. Ice pops will be available for those who are unable to have ice cream. If your child does not eat the above foods, please send him/her with a lunch to school. Students will eat outside, weather permitting. Please send in a beach towel with your child’s name on it to sit on. Parents are asked to leave school grounds during lunch periods.

We ask that your child wear comfortable clothing, sneakers, and sun screen. We hope to see you there. We are also asking students to wear blue or yellow. Your child will receive their color assignment with a notice from Mrs. Correia. This will divide each class in half. All classes will be competing against the other classes on their grade level. However, having two lines of blue and yellow and each event will make it run faster. This will insure that students have enough time at each station and can take a rest and get water before they rotate.

Thank you for your consideration. If you have any questions about field day, please email Mrs. Correia kcorreia@wayneschools.com.

Sincerely,

Richard D. Erck
Principal
