Miss Kristen Wardrop  
School Counselor  
January 9, 2015

Dear John F. Kennedy Families,

We will be participating in National “No Name Calling Week”, Tuesday, January 20th through Friday, January 23rd, 2015. During this week J.F.K. students will be participating in various activities throughout the week that will promote kindness.

We ask that EACH child bring in a t-shirt (just an old tee, preferably a white t-shirt with minimal writing) that they can write their last name on the front or back of the shirt (similar to a team jersey) Please make sure that all t-shirts are brought in by Thursday, January 14th, 2015. During No Name Calling Week, each classroom will be writing positive statements on each peer’s shirt. On Friday, January 23rd, 2015 students and staff will be wearing their t-shirts throughout the day.

During No Name Calling Week, each morning students will be selected to recite a quote of kindness over the loud speaker. Our hope is that students feel confident and know how good it feels to walk around the with positive statements about themselves.

Thank you for your cooperation in promoting and supporting a positive school climate!

Sincerely,

Miss Wardrop and John F. Kennedy’s School Safety Team
