Dear Parents,

I want to take this opportunity to welcome you back to another year of physical education at John F. Kennedy Elementary School. I am the full time physical education teacher; however, depending on the schedule, your child's class may be taught by Mr. Brill.

I would like to inform you of some of the rules for physical education class. Safety is my number one concern with your children in the gym and outside. Therefore the following rules have been developed to keep them safe.

1. **Your child needs to wear sneakers in order to participate in class.** These sneakers should cover the top part of the foot. Leaving part of the foot without protection could lead to injury. The sneakers should also have straps or laces that tie. Students will be going outside for physical education during the fall and spring. The grass may be damp in the morning. Please send a change of socks and shoes if you feel your child may need it on P.E. days.

2. **No jewelry should be worn to physical education.** Students who arrive to class with jewelry will not be allowed to participate. The two jewelry items allowed are medical alert jewelry and post or studded earrings.

3. **Please send in a note if your child needs to be excused from P.E. for any reason.** A note from a doctor or parent is required to be excused from P.E. as per the health office guidelines.

Thank you for your understanding and cooperation on the above matters. I am looking forward to another fun and active year with your children.

If you have any questions, please email me at kcorreia@wayneschools.com.

Thank you,
Mrs. Correia
Physical Education Teacher
