Dear JFK Students and Families,

Calling all new or slightly used pens and pencils! My students and I are collecting pencils and pens to send to other children in need through the Right-to-Write organization (Right-to-Write.org). If you have any new or slightly used pencils or pens around the house, please consider donating them to our collection boxes. These boxes will be placed around the school from June 1-12th. We hope to collect 600 pencils and pens, so please help us achieve our goal!

Thank you,

Mrs. Cheryl Neiberline and 4th grade students
