Dear JFK Families and Friends,

The journey to end cancer starts with a single step. Each year, more than 4 million people in over 20 countries join together to raise much needed funds and awareness to save lives from cancer. This phenomenon is known as Relay for Life. When you walk to end cancer at a Relay event, it's your opportunity to not only honor cancer survivors and remember loved ones lost, but also to raise awareness about what we can do to stay well from cancer and raise money to help fuel the world's largest walk to end cancer.

JFK will be having our own Mini-Relay for Life! It will be held during the afternoon of our Field Day, on May 31st. We will be organizing two fundraisers to raise money for the American Cancer Society.

The first one will be a luminaria sale. Relay for Life participants and donors can remember loved ones lost to cancer and honor those battling the disease by decorating a luminaria bag. We will be using the bags to illuminate a track for our final lap during our Mini-Relay. Bags can be purchased for a donation of $10. Also, JFK, with the help of Scissor Lounge in Wayne, will be selling purple hair extensions for our Relay for Life. Hair extensions can be pre-ordered for $10. We will have more information as the event approaches.

Although this is our first year participating in a Mini-Relay for Life, we certainly hope it is not our last. We are sure that this will be a rewarding and memorable experience for everyone, and we look forward to our event!

Sincerely,
Karen Marron
JFK PTO Relay for Life Coordinator
