“Week of Respect” will be celebrated throughout New Jersey the first full week in October. In continuing our district-wide initiative on respect called H.E.R.O. (Helping Everyone Respect Others), JFK Elementary School has some very special activities planned to help students learn and demonstrate how they can show RESPECT for themselves, others, and their community.

Our Week of Respect activities include:

- Each class will complete “The Golden Rule” project!
- Daily announcements and quotes about respect!
- PA Announcements of the JFK Code of Conduct by 1st Grade!
- Specialized classroom lessons and “Chain of Respect” activity!

To show your support, please help our students in participating in our **Spirit Day Friday Oct. 11th**. Please have your children support our theme “We respect our school, each other, and ourselves” by wearing JFK school colors or spirit-ware!!

We will be displaying our project on RESPECT: “JFK’s Chain of Respect.” It will be hanging along the first floor of the school. Look for the rainbow chain!

If you have any questions or ideas, please do not hesitate to contact Mrs. Lowenfels, JFK’s School Counselor, at egruenwald@wayneschools.com or (973) 633 3160 ext. 17.
